Albany, Aug. 17, 1844.
TO MOTHERS AND MARRIED LADIES.
TO MOTHERS AND MARRIED LADIES.
This Extract of Sarsaparilla has been expressly prepared in reference to iemale complisants. No female who has reason to suppose she is approaching that critical period, "the turn of line," should neglect to take it, sait is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is tiles valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which women are subject.

relaxation, which is the case of most medicines taken for female weakness and disease.
